LUXURY AND REFINEMENT FOR LIFE'S HIGHEST LEVEL

GRAND PARK ROYAL

Cancun is unlimited. Powder white sand at the edge of a magnificent sea. Archaeological sites, nightlife, and theme parks are just the entrance to a world of cenotes and diving beaches that allow you direct contact with Nature – and your soul. Grand Park Royal Cancun offers service ahead of any desire. Independent villas right on the beach, magnificent suites where the views inspire the idea that this is precisely where you belong. And the new Kids Club means that no matter how many you've got tagging along, you will get the luxury experience of a lifetime.

You never have to leave the resort. Mexican, Italian, Asian, and Prime Rib specialty restaurants are all on your menu. Unlimited drinks come from more cocktail lounges than you're going to want to visit. Watch the sunset every night over Nichupté lagoon. The world is yours. Cancun is just one more reminder of your best version.

A NEW DIMENSION IN COMFORT AND SERVICE

THE VILLAS CANCUN

Guests at Grand Park Royal Cancun are accustomed to unparalleled service. We are the hotel in the Peninsula more guests return to year after year. They simply prefer our Villas than anywhere else to vacation.

The Villas are our resort's most exclusive suites. They combine luxury with VIP level privacy. On the beach, guests experience the sea and feel a breeze that seems to have blown in from a thousand lifetimes. Lounging in our exclusive array of Balinese beds, there's little to do but reflect on the finer aspects of existence. Of course, a personal butler will tend to every desire. And remember, it's the most exclusive corner of a resort vacation where time seems to go at a slower pace.

OF THE SEA, BUT, OH, SO NEAR THE SKY

GRAND PARK ROYAL **COZUMEL**

Cozumel is one of the most privileged destinations in the Americas. The island has 300 days of sunshine every year, an inland jungle, heavenly white-sand beaches, and a 22-kilometer stretch of coral reef, the second largest in the world.

Grand Park Royal Cozumel is the perfect setting to enjoy your success and feel right at home on a spectacular Caribbean island. Facilities include beachfront whirlpools, infinity pools, a solarium, a Kids Club, a Balinese beds area, and specialty restaurants boasting Mexican, Caribbean, and Italian fare. Café Solé serves delicious expressos every morning.

Take a dip in one of our three swimming pools, two on the beach, just in from the coral reefs. You'll find everything you wish for a fantastic Caribbean holiday. You'll be surprised it was always this close.

THE PACIFIC LIKE YOU DREAMED IT COULD BE

GRAND PARK ROYAL **PUERTO VALLARTA**

Vallarta is a legendary village where the charming is continually saying hello to the impossible. Guests leave everything else behind while sitting in seaside eateries that look out on a bay as famous for whale watching as it is for romance. On the southern shores of Banderas Bay, far from the city's hi-jinx, Grand Park Royal Puerto Vallarta welcomes guests to an unforgettable new Pacific – and Pacific coast vacations experience.

Our specialty restaurants serve Mexican, seafood, and Italian fare of exceptional quality. Enjoy an outstanding luxury resort that this stretch of coast is already naming remarkable. But you can call it yours.

PARK ROYAL BEACH

Acapulco may be one of the world's favorite destinations. Park Royal Beach Acapulco is an exceptional part of this legendary bay city. Golden beaches and sunsets that seem to move your soul intentionally are part of the very essence of this vacation hideaway. And it's got nothing to do with what you've always believed.

31.4

Park Royal brings Acapulco together in a crescendo of old and new on an exclusive and spectacular corner of the bay. Rugged cliffs are conquered by the resort's private, quirky, and efficient diagonal railway. At the bottom is one of Acapulco's most enchanting beaches. Up above is a cliff-side hotel as charming as an Alpine village. Kids go to their supervised club so that parents get the vacation they'd been dreaming of. And falling in love, this time, means treating yourself as well as you should have all along.

A LEGENDARY RESORT FOR THE CLASSIC BEACH VACATION

PARK ROYAL BEACH

The Cancun experience never ends. White sand beaches line the edge of a sea so remarkable, so pristine, you will wonder why time has not stopped in its tracks. The remains of the magnificent Maya civilization remind us our time will come and go. Cancun is a realization of something specific – a crystal clear moment in our lives.

Xcaret, a world-class aquarium, and the famous Underwater Museum: it's all here. People come back to Park Royal Beach Cancun because it's permanent, exquisite, and somehow, all within easy reach. It's a remarkably warm welcome into our own unassuming and utterly luxurious present.

A LOST SURFING VILLAGE TAKEN TO DRAMATIC HEIGHTS

1.1

PARK ROYAL BEACH HUATULCO

Every visit to Huatulco is a chance to explore nine pristine Pacific coast bays on the edge of Oaxaca. This place has unparalleled beauty that results from the clash of rock and water for millennia. Where else would surfers head to?

The bays shelter softer swimming and wading beaches. They're perfect for kids and those of us who've reached a more serene life. The Oaxacan jungle opens up, and so does Oaxacan food. It's everywhere. Your vacation takes a turn for the better in a resort dramatically perched over the ocean. Park Royal Beach Huatulco is over Tangolunda Bay, and it's eons away from anything you've experienced. All our keys are suites. Guests settle in for a Pacific paradise experience, with everything included. Many of them come back every single year. It's always unforgettable.

A FAMILY RESORT PUSHING THE ENVELOPE

PARK ROYAL BEACH

Ixtapa-Zihuatanejo is almost outrageously pristine, unknown, rugged, dramatic, and practically on the Americas' very edge. Zihuatanejo, next door, is a fishing village dedicated to welcoming guests from all over the world. Ixtapa is resort quality, peaceful, exclusive, and dramatic.

El Palmar Beach has miles of soft golden sand. And you'll be there. Park Royal towers above it. It's a family resort with every comfort, set amongst the jungle and joy. With everything you've sought in a family resort, it's got all the makings of a family holiday you're never going to forget.
